Change is in the Air

As of January, 2018, we will no longer be offering PSLE. Instead, we will continue to utilize the Abeka curriculum which has given us a very high standard of education. Standard 7 will continue to be mandatory at TLCS with ongoing assessments and achievement testing as well as a Certificate of Completion at the end of the year for those who are successful. Cultural studies will continue to be taught throughout our Primary classrooms and we look forward to a full year of emphasis on the history of Botswana in Standard 7. Setswana will also continue but not as an examinable subject.

Should you have any questions, please feel free to contact Mrs. Pitso for an appointment with the School Head and Mrs. Mtonga.

2018 DEPOSIT

It is important each year that we know which of our students intend to continue at TLCS in the coming year. We have families waiting to attend and so we ask that you secure your child's place for 2018 by depositing P1000 for a single child P1800 for two or more. This is a **non-refundable deposit**. This deposit will go towards first term fees for 2018. **Deadline for this deposit is August 3rd**. After that, we will begin filling the classrooms with children on our waiting lists.

Parents of current Std 7 students should not pay the 2018 deposit until they are sure their child has been accepted. Our Standard 7 students will sit the entrance exam June 29th.
