The Learning Centre School

HOLIDAY

Tomorrow, Thursday, May 25 is a public holiday. School will not be in session. Classes will resume Friday morning at the usual time.

'Tis the Season

The flu season is definitely upon us. Please keep your children at home if they are ill. Make sure their snacks/lunches include fruit and healthy foods.

Student Aides

Some of our former students who have been helping as aides will be leaving at various times this month to join their tertiary classrooms. We so appreciate the work that they do.

LABELS

Please be sure all students belongings are labeled. This is the term when so many things are left behind. Unless they are labeled it is impossible to tell to whom they belong.

Secondary Announcement

It is a universally accepted fact that it is important to improve the students' study skills in order to make learning effective, which in turn helps them succeed academically and do well in life. The secondary teachers will be monitoring the students once a week on Tuesday afternoons to help them master these skills. Hence, **all secondary students will be required to be in school till 4:30pm every Tuesday.**

On Mondays, Wednesdays and Thursdays please see that your secondary child is picked up after the activity/ lesson is finished.
