The Learning Centre School

Parents!

For security purposes no parent is to go straight to the child's classroom. All visitors and parents must pass by the main office no matter what time of day it is. Please do not be rude to our staff when they send you back to the office for clearance as they are following directions from the Administration.

Parent Teacher Meeting.....

Wednesday, October 18th is our Parent-Teacher Meeting for Term Three. We are excited for the opportunity to meet with you. Our meetings start at **3pm**.

We expect all parents to attend on this day, unless there is an emergency. Special appointments will not be arranged for those who do not choose to attend.

Secondary students should attend the conference with their parents.

Bricks4Kidz

Representatives from Bricks4Kidz will be on campus during our Parent-Teacher Meeting next week. You will find them in the main hall.

We would like to encourage students to participate in this program next year as an afternoon activity. It will be a fee based activity. The program is **STEM** based. **STEM** is an educational program developed to prepare primary and secondary students for college and graduate study in the fields of science, technology, engineering, and mathematics (STEM). In addition to subject-specific learning, STEM aims to foster inquiring minds, logical reasoning, and collaboration skills.

We are specifically looking at this program for Upper Primary students next year. Please stop by to see them and find out the unique opportunities this program provides.

Changes to our fee policy

As of January 1, 2018:

All payments made through bank transfer or bank deposit are to **use the unique student account number as the reference**. Families with more than one child share an account, thus also share an account number. **Payments without such reference will not be acknowledged**. Invoices will be issued on a termly basis. **Account numbers will be included in the invoice**. Practically, this means that from January, 2018, we need **the student account number rather than the student name in order for the payment to be acknowledged**. No receipts will be issued without proof of payment and school fees will be deemed unpaid until proper documentation has been received by the Bursar. Note that it is the responsibility of the parent or guardian to furnish the school **with** payment documentation. Please keep all records pertaining your school account; invoices, receipts, proof of payments and notes from the bursar's for future reference.

STD 7

Our Standard 7 students will be dismissed for a week after they complete their exams. They should **return** to school **October 23** at the regularly scheduled time for their Form One prep classes.

This is mandatory instruction for all students returning to TLCS for Form One 2018.
