The Learning Centre School

No school on Friday, October 20th (Mid Term Break)

No afternoon activities on October 19th – Please make arrangements as necessary for pickup at 1pm.

The uniform shop and the tuck shop are open for the convenience of parents during the Parent-Teacher Meeting. Closing at 4pm.

Bricks4Kidz

Representatives from Bricks4Kidz will be on campus during our Parent-Teacher Meeting next week. You will find them in the main hall.

We would like to encourage students to participate in this program next year as an afternoon activity. It will be a fee based activity. The program is **STEM** based. **STEM** is an educational program developed to prepare primary and secondary students for college and graduate study in the fields of science, technology, engineering, and mathematics (STEM). In addition to subject-specific learning, STEM aims to foster inquiring minds, logical reasoning, and collaboration skills.

We are specifically looking at this program for Upper Primary students next year. Please stop by to see them and find out the unique opportunities this program provides.

Welcome to

Parent Teacher Meeting.....

PTM is today at **3pm to 6pm**. We expect all parents to attend on this day, unless there is an emergency. Special appointments will not be arranged for those who do not choose to attend.

Secondary students should attend the conference with their parents.

Changes to our fee policy

As of January 1, 2018:

All payments made through bank transfer or bank deposit are to **use the unique student account number as the reference**. Families with more than one child share an account, thus also share an account number. **Payments without such reference will not be acknowledged**. Invoices will be issued on a termly basis. **Account numbers will be included in the invoice**. Practically, this means that from January, 2018, we need the **student account number rather than the student name in order for the payment to be acknowledged**. No receipts will be issued without proof of payment and school fees will be deemed unpaid until proper documentation has been received by the Bursar. Note that it is the responsibility of the parent or guardian to furnish the school **with** payment documentation. Please keep all records pertaining your school account; invoices, receipts, proof of payments and notes from the bursar's for future reference.

STD 7

Standard 7 students are returning to school **October 23** at the regularly scheduled time for their Form One prep classes.

This is mandatory instruction for all students returning to TLCS for Form One 2018.
