The Learning Centre School

PSLE EXAMS: 05 Oct - 12 Oct

IGCSE EXAMS: 05 Oct - 15 Nov

Tomorrow morning our Standard 7 and Form 5 students will begin exams. Please, if you are coming on campus, remember that we are testing and maintain a quiet manner.

Students should be encouraged to get plenty of rest and eat a proper breakfast each morning before arriving for their examinations. A protein filled breakfast is best for learning.

Our Standard 7 students will be dismissed for a week after they complete their exams. They should **return** to school **October 16** at the regularly scheduled time for their Form One prep classes.

Parent Teacher Meeting.....

Wednesday, October 18th is our Parent-Teacher Meeting for Term Three. We are excited for the opportunity to meet with you. Our meetings start at **3pm**.

We expect all parents to attend on this day, unless there is an emergency. Special appointments will not be arranged for those who do not choose to attend.

Secondary students should attend the conference with their parents.

Form 5 chapel

Every year Form 5 chapel is a special time for our students to voice their appreciation for what they have learned and say goodbye to their peers.

A few highlights from their speeches this year will be posted in upcoming newsletters:

"Finally, I want to thank my mother, my role model, my rock, she is the best thing that has happened in my life. Our life was not always smooth sailing, being a single parent is not easy, but with the Lord by her side, she was able to conquer all. You inspire me in so many ways. I love you and I want to thank you for showing me the face of God and teaching me Isaiah 43:16 which says, 'I am the Lord, who opened a way through the water, making a dry path in the sea'. This verse teaches me that my God, whom I serve will make a way where there seems to be no way. He is my light in the darkness and my someone to lean on. I have also learnt not to shy away from God for God's time is the best and a delay is not a denial." **(Angela Khonye)**

"I would like to thank all the teachers in general for giving me the knowledge and physical exercise I need. I will miss P.E. so much. I will miss the laps, suicides, games we would do even though I would feel very lazy at times. I would like to thank Mr. Kameta so much for helping me grow my love for math again. I was scared that I was losing it and I appreciate all the lessons you have taught me. Mrs. Prasad for continually giving me a push to never stop working. I will really miss the English, accounting, French and science classes, as well as the teachers, because I never got bored in a way that made me want to sleep. I will miss IT and making noise for Ms. Mwai right before every lesson.....I will never forget this school and the people because it has made me grow in a way that I highly appreciate." **(Jeanelle Zabula)**
