COMPLIMENTS OF THE NEW SEASON

We were so happy to see most of you at Orientation last Saturday. We love that so many participate every time we have a meeting.

Thank you for being so supportive.

The Learning Centre strives to be a drug and alcohol free campus. We do reserve the right to search individuals and belongings at random times in order to insure the security of our campus.

Preschool

Preschool parents should not park and come in. Let's keep the traffic flowing. Staff is there to help assist you and be sure the child goes to the proper class. The same applies for afternoon pickup. Be patient with one another so that no little ones are harmed.

Pick up and drop off.....

Please note the following:

- Please do not drive between the buildings at any time.
- Parking beside the administration building is for Admin Staff and wheelchair students only.
- Our Pre-School gate is open for Pre-School drop off only. **Gate closes at 8.30 AM.**
- We will be opening the roadside doors to our Secondary building to ease traffic congestion between 1300 and 1330hrs. People who are picking up only Secondary Students may park there. For security purposes, no other parents will be allowed to enter through the door at those times.
- If you have children at multiple levels in Primary —Secondary please use the main parking lot for drop off and pick up.

School gates will not be open until 6:30 AM

Please do not block the driveways as our staff needs to enter first.
