Important Information for the School Christmas Program on Friday

Program Manners

Every year we have people disrupt our organization and the safety of the students by leaving early. In order to keep the children safe, we keep them together until the END of the play. Please plan to stay for the duration of the program and show respect to the staff and students who have worked so hard. Arrive on time. Please keep children under 4 at home.

- * The car park will be open at 5pm on a first come, first park basis! When it is full, cars will be directed to park outside the fenced area. We have hired extra security for the night, but cars are parked at your own risk. Please do not leave anything in your cars that would draw attention.
- * The Atrium entrance at the secondary building will be open until 6 pm. At that time, for security purposes, we will close those doors and attendees may walk in through the main gate.
- * If you arrive late, please enter the hall quietly so as not to disrupt the performance.
- * **We ask that all students remain until the end of the programming so no disruptions will be made and for security purposes.**
- * **Please be respectful of others in the use of cameras. We will ask that phones be completely silenced at all times. Since the program is broadcast by BTV, you can easily record it during the Christmas season.**
- * Our staff and students have worked hard to again bring you a quality performance. It promises to be a night to make memories!

Preschool Graduation and Christmas Programme

- * **November 22** Upside Down Day
- * Preschool students will come to school at 2pm on that day and stay until the programme is finished. There will be no morning classes and it will be their last day of school.
- * Programme begins at 7PM.
- * Please come prepared to abide by the same instructions as for the Friday night programme.

Next week we have some fun days scheduled for the students.
