Program Manners

Every year we have people disrupt our organization and the safety of the students by leaving early. In order to keep the children safe, we keep them together until the END of the play. Please plan to stay for the duration of the program and show respect to the staff and students who have worked so hard. Arrive on time. Please keep children under 4 at home.

END OF AFTERNOON ACTIVITIES

Thursday, November 8 is the last day of afternoon activities for Term Three. Please make arrangements to collect your children at 1PM every day.

Parents – take note! We have been informed of a possible child abductor in Gaborone. Here are some suggestions to keep your child/ren safe.

- * Don't put their name in conspicuous places on their belongings. Labels should be inside hats, clothing, book bags.
- * Have a password arranged with your child. That way if someone tries to tell your child that they were sent by you, the child will know to ask for the password. If the person doesn't know the password – the child should know not to go with them.
- * Do not leave your child of any age alone at a play place or mall. Make them stay with you in the store at all times.
- * You must inform the school in the diary and by telephone if there has been any change in pick up arrangements. Our staff should not allow the child to go with anyone except people of whom you have informed us.
- * Teach your child to not accept candy or communicate with anyone they do not know well.
- * FYI please also be aware of all people your child is around; even family members can abuse children.
