Parent Teacher Meeting..

Welcome to the first Parent-Teacher Meeting of 2019.

We are so happy that you have chosen to come and meet your child's teacher and hear the progress he or she is making in their new class. It is our desire to work with you to understand your child's behavior and help set them on a pace for best results. We would like to remind you that the newsletter is our primary means of communication with you. Please check your child's diary each Wednesday for news.

Should a difficulty arise and the conversation need to be taken further, please allow the teacher/HOD to appoint with you at a later date.

VACANCY

We are taking applications for teachers as we still have a need in Upper Primary. We are committed to finding the best teachers possible to fill our classrooms so we appreciate your patience as we process applications and interview. We have been very pleased this term with our new staff. We know you too will enjoy meeting and interacting with them.

The Learning Centre will be saying goodbye at the end of term to someone who has lead our Lower Primary classes well. She has also been the key figure in our end of year programs. Mrs. Kunda and her family will be returning to Zambia. We will miss them very much but we know God has lead in this decision and He will help us in her absence. Please take time in the coming weeks to let her know what she has meant to your family and encourage your children to do so as well. We are pleased to announce that Ms. Chinyanta will be taking up the responsibility of Head of Department for Lower Primary. She has requested that she be allowed to continue with her classroom this year so we will be helping her adjust to her new responsibilities and maintain best practices in her class. All of our Heads of Department are in the classrooms often, keeping their teaching skills and mentoring new teachers.

Victoria Prooday is an Occupational Therapist that has lots of good parenting helps at <https://yourot.com/parenting-club>
