END OF AFTERNOON ACTIVITIES

The last day of afternoon activities will be March 20th. Unless your child is selected for a team competition, please make arrangements to collect your child at 1300 hrs every day from March 21st.

Term One

It is unbelievable that we are already looking into the last few weeks of Term One, 2019. Students will be sitting exams in the coming weeks. Please be sure they are completing their homework every night and reviewing terms from each subject. We encourage secondary students to put aside their phones and other means of communication at this time and pay close attention to learning. If they are struggling with a topic, now is the time to make sure they understand. They should be seeking out help from our staff as soon as they realize they haven't understood something.

Character Counts at TLCS

This month in our chapel we are continuing our emphasis on good character. We hope your children and your family will benefit from this program each year. Last week, we talked about respect .

Recognize that everyone is different

Empathy is to listen and connect

Self-monitor and think first

Personal space – give a little room

Earn trust through your actions

Cheer on others and their successes

Treat everyone as an equal

Secondary Sports

A contingent of our secondary athletes will be traveling to Francistown this week to compete in the ISSA athletics meet. Please pray for safety both on and off the road.
