Welcome to 2020 at TLCS

It has been such a joy to see everyone on campus this year. We love renewing relationships with our continuing families as well as meeting our new families!

The Learning Centre desires to help our students in all areas of their lives. Proverbs 3:5,6 in the Bible tells us to trust in the Lord with all our heart and lean not to our own understanding. It reminds us to acknowledge Him in all our ways and He will direct our path. We look forward to seeing His path for 2020.

HOMEWORK DIARY

Please remember the homework diary is the place that you first correspond with us should you have a question. If your issue is not satisfied there, or you do not get a response from the teacher the same day, please contact the HOD for your child's department.

Heads of Department:

HOD sport – Mrs. Makurira

HOD preschool – Mrs. Selabe

HOD Lower Primary – Ms. Chinyanta

HOD Upper Primary – Mrs. Makgabana

HOD Junior Secondary – Mr. Namwaza

HOD Senior Secondary – Mrs. Prasad

HOD Special Education – Mrs. Workman

LABEL EVERYTHING!

Everything your child brings to school should have their name on it. So many items that all students have look alike so it is important that ALL things are labelled. This means clothing, hats, shoes, socks, as well as books, school supplies and lunch containers.

“There is no greater discovery than seeing God as the author of your destiny.”
– Ravi Zacharias

Library Renovations

We are renovating our library! Currently there are no shelves, no books, no flooring...and it is waiting its metamorphosis into a very special place. We are working on this step-by-step and will keep you apprised of its progress. We are making room for more books! Perhaps you would like to partner with us in filling the new shelves. Please feel free to donate to our new library at the bursar's office. Perhaps for your child's birthday you could donate P200 or more(!) for that purpose. For those that donate, we will purchase books and label them as donated by your child/family.

Sport News

NOTE:

PE is mandatory at TLCS. This term we have swimming as well as other sports. Please be sure your child is in PE kit on their scheduled day. Every child should have both their swim costume and their PE kit with them on those days.

All primary students should wear their PE kit to school. PE shorts should be longer than the child's fingertips when arms hang by their sides.

Swimming Cap & Goggles are compulsory for a child to be allowed to swim.

Secondary Athletics

During this term, ALL secondary students are required to participate in athletics. Even those who are physically incapable are required to remain on campus during practice days for the unity of the TLCS team. All students will not be chosen for the team but by practicing all together we often find hidden talent for our athletic competition.

Practicing for athletics also engages the student's neuromotor pathways and enhance their ability to study after the long holiday.
