The Learning Centre School

Afternoon Activities

Afternoon activities for **preschool** and **primary** for 2020 begin on January 28. A schedule will be issued next week for these activities. It is important that you let us know if you intend for your child to participate. You may communicate through the classroom teacher.

Secondary activities begin next week with preparation for their athletics event this term. ALL secondary students are required to participate in Athletics, every Monday & Wednesday. Even if a child has a disability or a doctor's excuse, they will be required to stay during athletics practice every week.

LABEL EVERYTHING!

Everything your child brings to school should have their name on it. So many items that all students have look alike so it is important that ALL things are labelled. This means clothing, hats, shoes, socks, as well as books, school supplies and lunch containers.

Important:

No parent should go directly to the child's classroom to deliver items. All parents and other visitors to campus MUST pass by our reception area. We have a team of aides that will deliver lunches to the child's classrooms. All items going to the classrooms must pass by the Admin Office.

Sport

NOTE:

PE is mandatory at TLCS. This term we have swimming as well as other sports. Please be sure your child is in PE kit on their scheduled day. Every child should have both their swim costume and their PE kit with them on those days.

All primary students should wear their PE kit to school. PE shorts should be longer than the child's fingertips when arms hang by their sides.

Secondary Athletics

During this term, ALL secondary students are required to participate in athletics. Even those who are physically incapable are required to remain on campus during practice days for the unity of the TLCS team. All students will not be chosen for the team but by practicing all together we often find hidden talent for our athletic competition.
